How to fill in this Diary

Record *all* payments and purchases during the next week in your Diary:

- Each day, write down **everything** you spend money on. It does not matter how large or small the amount, or whether you used cash, a credit or debit card, or a cheque.
- If you have attached a docket, only write the total docket amount in the Diary.
- Write 'NIL' on the first line if you don't spend anything on a particular day.

The only items which should be excluded are the following:

- **Exclude** details of payments to a member of your household who is also keeping a Diary.
- **Exclude** details of payments which will be **fully refunded** by any person or organisation outside the household.
- **Exclude** details of payments **fully charged** to your business or farm for taxation purposes.

Complete the Diary as follows:

- Record all payments and purchases in **A** apart from those that are more appropriately included in **B** to **F**.
- Record winnings from lottery, TAB, poker machines, etc. in **B**.
- Record payments which will be partly refunded in **C**.
- Record goods and services obtained from or paid for by your employer in **D**.

- Record goods and services obtained from your business or farm in **F**.

Credit and Debit Cards

- Record items bought on credit cards (e.g. Mastercard, David Jones) or using debit cards (e.g. Commonwealth Bank Keycard) on the day they are purchased.
- When money is paid off a credit card, record only the type of card and the amount paid.

Payments of accounts other than credit cards:
